**Abstract:** The MSOE *Ingenium* is a student publication of the Milwaukee School of Engineering. Printing was monthly during the school year (most often omitting the summer months) from 1980 to early 2005. Regular monthly issues contain campus news, sports, events, and advertising.

**Biography:** This publication was created for students by students. Issues commonly addressed are concerns of incoming freshmen, tuition rates, housing news, and current events. Beginning in 1992, a parody April Fools' Day issue entitled "Ungenium" was also published. An issue of *Ingenium* dedicated to the student organizations of that particular school year first appeared in 2001; each of these issues (labeled with a dual date) has been stored in the folder with the December issue of the earliest year listed.

**Scope and Content Note:** Included in this collection are newspapers in two formats: pre-1994 the publication appeared in a booklet format and from 1994 onward it appeared in 'traditional' newspaper format.

**Arrangement:** Chronological.
