

Women's Connection

MSOE AC 20

1991-Ongoing

2.4 Cubic Feet

Abstract: This collection contains program information for Women's Connection and its predecessors on the MSOE campus since 1991. Included are collections of correspondence, event information, budget and receipt forms, and photographs.

Biography: There has been a women's interaction program on the MSOE campus since 1991, but Women's Connection was formally started in 1999. The purpose of the program was to establish a base of networking since MSOE women are in non-traditional fields of technology—business, engineering, nursing, and technical communications while at MSOE.
